This tentative agenda is subject to change. The final agenda will be available at the meeting.

Public Participation: In keeping with procedures, members of the public are welcome to observe the business of the NIF Task Force and submit written comments or comment during the scheduled public comment periods. The Chairman of the Task Force is empowered to conduct the meeting in a fashion that will, in the Chairman's judgment, facilitate the orderly conduct of business. During its meeting in Livermore, California, the Task Force welcomes public comment. Members of the public will be heard in the order in which they sign up at the beginning of the meeting. The Task Force will make every effort to hear the views of all interested parties. You may submit written comments to Betsy Mullins, Executive Director, Secretary of Energy Advisory Board, AB-1, U.S. Department of Energy, 1000 Independence Avenue, SW, Washington, D.C. 20585. This notice is being published less than 15 days before the date of the meeting due to the late resolution of programmatic issues.

Minutes: A copy of the minutes and a transcript of the meeting will be made available for public review and copying approximately 30 days following the meeting at the Freedom of Information Public Reading Room, 1E-190 Forrestal Building, 1000 Independence Avenue, SW, Washington, D.C., between 9:00 A.M. and 4:00 P.M., Monday through Friday except Federal holidays. Further information on the Secretary of Energy Advisory Board and its subcommittees may be found at the Board's web site, located at <http://www.hr.doe.gov/seab>.

Issued at Washington, D.C., on November 9, 1999.

Rachel M. Samuel,

Deputy Advisory Committee Management Officer.

Columbia Gas Transmission Corp.; Notice of Filing of Report

November 5, 1999.

Take notice that on October 21, 1999, Columbia Gas Transmission Corporation (Columbia) tendered for filing its final report under an interim proposal accepted by the Commission on September 16, 1998, in Docket No. TM98-2-21-000. Pursuant to a settlement in Docket No. RP95-408 *et al.*, Columbia was to transfer its products extraction facilities to MarkWest Hydrocarbons (MarkWest). Columbia reports that it has resolved matters with MarkWest. Consequently, Columbia states that it is terminating its products extraction service, and commencing on November 1, 1999, providing to MarkWest all of the 650,000 Dth annual quantities collected by Columbia through its Retainage Adjustment Mechanism.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed on or before November 15, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).
